Subject: Request for Supplemental Data

Good morning Ken,

We are considering revising the 2016 program review report to bolster the area that demonstrates MO's successes. We are putting together a few line graphs as visuals. Can you provide us with the following data?

Total LUST Site Backlog (*including those that are not fund eligible*) numbers for the beginning of each of the following *state fiscal years*:

2010, 2011, 2012, 2013, 2014, 2015, 2016

We were contemplating using the numbers from the line graph on the cover of your draft document "Strategies for Backlog Reduction" but since it is a draft I did not think that would be appropriate without verification with you first. Plus, 2016 is missing from that line graph.

Thanks,

Douglas E. Drouare, CPG
